*To complement our portfolio, we have added a slightly coarser Marvelous type, which is named as Alegrace® Marvelous A 18/77-1 Alpine Silver.

Product Description

Alegrace® Marvelous is a range of eye-catching vacuum-metallized pigment (VMP) suspensions for solvent- and waterbased nail polish. Alegrace® Marvelous offers outstanding mirror-like effects, in shades from bright silver to platinum. Combined with colorants, stunning colourful metallic effects can be achieved. Alegrace® Marvelous stands out with excellent coverage properties.
